Coaching Philosophy

Code of Conduct

- This Code of Conduct will address the conduct of players, coaches, parents and administrators who participate in the Franklin Lacrosse Club (FLC). Players, coaches, parents and administrators are required to exemplify sportsmanship, respect and honor. They are expected to understand that any time they put on an FLC jersey or attend an FLC game as a coach, parent or representative of the program, their actions reflect not only on themselves but also their team, coaches, club, family, school and town.
- Franklin Lacrosse Club abides by the US Lacrosse Youth Council Code of Conduct, as well as additional provisions, governing all coaches, players, officials and parents. The purpose of the code is to ensure that all of those people associated with FLC treat each other, and those associated with opposing programs, with dignity and respect.

The Code of Conduct is a condition of membership for all players, parents, coaches and administrators. All members who join Franklin Lacrosse Club agree to abide by the Code of Conduct and to be subject to the consequences of violating the code. Every registration for Franklin Lacrosse Club includes an acceptance of the Code of Conduct.
